

## OUR STORIES, VOLUME 4 REDLANDS ADULT LITERACY ANTHOLOGY

Learners and tutors are invited to submit writings for *Our Stories, Volume 4* to be published in 2021. We'll print, distribute, and add the anthology to the A. K. Smiley Public Library Collection to be enjoyed by the community.

### Learners:

- Submit up to two writings you'd like to share. For each entry, please complete and attach a submission form.
- Writings may include workbook assignments, reflections on readings, poems, journal pages, or other writings inspired by ideas from any source.
- Even a few words can communicate a great story.

### Tutors:

- Emergent writers are encouraged to participate. Stories may be told to a tutor and edited as a team as you model the writing process within your regular tutoring sessions.
- Please consider submitting a writing about your own experience within our adult literacy community or on what adult literacy means to you.

### Volunteers Invited (Tutors and Learners):

- A small committee of tutors and learners will review submissions for publication and assist in planning our 2021 Celebration of Authors event. If interested in joining the committee, please contact Diane Shimota, Redlands Adult Literacy Coordinator, at (909) 798-7565 x4138 or [literacy@akspl.org](mailto:literacy@akspl.org).
