|                                                                 |    |
|-----------------------------------------------------------------|----|
| INTRODUCTION .....                                              | 5  |
| SKILL PREVIEW .....                                             | 6  |
| <b>UNIT 1: WHOLE NUMBERS</b> .....                              | 14 |
| Addition .....                                                  | 16 |
| Subtraction .....                                               | 18 |
| Multiplication .....                                            | 20 |
| Division .....                                                  | 22 |
| Division by Two or More Digits .....                            | 24 |
| <b>Problem Solver:</b> Mental Math and Estimation .....         | 26 |
| <b>Problem Solver:</b> The Five-Step Plan .....                 | 28 |
| <b>Tools:</b> Using Your Calculator .....                       | 30 |
| <b>Test Taker:</b> Choose an Operation .....                    | 32 |
| Unit 1 Review .....                                             | 34 |
| <b>UNIT 2: DECIMALS</b> .....                                   | 36 |
| Understanding Decimals .....                                    | 38 |
| Writing Decimals .....                                          | 40 |
| Rounding Decimals .....                                         | 42 |
| Comparing Decimals .....                                        | 44 |
| Adding and Subtracting Decimals .....                           | 46 |
| <b>Problem Solver:</b> Solving Multistep Problems .....         | 48 |
| Mixed Review .....                                              | 50 |
| Multiplying Decimals .....                                      | 52 |
| Dividing Decimals .....                                         | 54 |
| <b>Problem Solver:</b> Powers of Ten .....                      | 56 |
| <b>Problem Solver:</b> Figuring Unit Price and Total Cost ..... | 58 |
| <b>Tools:</b> Calculators and Decimals .....                    | 60 |
| <b>Test Taker:</b> Use Estimation to Choose an Answer .....     | 62 |
| Unit 2 Review .....                                             | 64 |

|                                                          |     |
|----------------------------------------------------------|-----|
| <b>UNIT 3: FRACTIONS</b> .....                           | 66  |
| Relating Decimals and Fractions .....                    | 68  |
| Different Forms of Fractions .....                       | 70  |
| Equivalent Fractions .....                               | 72  |
| Comparing Fractions .....                                | 74  |
| Adding and Subtracting Like Fractions .....              | 76  |
| <b>Problem Solver:</b> Multiples and Factors .....       | 78  |
| Finding Common Denominators .....                        | 80  |
| Adding and Subtracting Unlike Fractions .....            | 82  |
| Working with Whole and Mixed Numbers .....               | 84  |
| Mixed Review .....                                       | 86  |
| Multiplying Fractions .....                              | 88  |
| Dividing Fractions .....                                 | 90  |
| Multiplying and Dividing with Mixed Numbers .....        | 92  |
| <b>Problem Solver:</b> Does the Answer Make Sense? ..... | 94  |
| <b>Tools:</b> Calculators and Fractions .....            | 96  |
| <b>Test Taker:</b> Know When to Use Decimals .....       | 98  |
| Unit 3 Review .....                                      | 100 |

|                                                         |     |
|---------------------------------------------------------|-----|
| <b>UNIT 4: RATIO, PROPORTION,<br/>AND PERCENT</b> ..... | 102 |
| Relating Fractions and Ratios .....                     | 104 |
| Writing Ratios .....                                    | 106 |
| <b>Problem Solver:</b> Unit Rates .....                 | 108 |
| Ratios in Word Problems .....                           | 110 |
| Writing Proportions .....                               | 112 |
| Solving Problems with Proportions .....                 | 114 |
| <b>Tools:</b> Using a Calculator with Proportion .....  | 116 |
| <b>Problem Solver:</b> Scale Drawings .....             | 118 |
| Mixed Review .....                                      | 120 |
| Understanding Percents .....                            | 122 |
