# FUN AND GAMES

Dragon Fire, Draggy, Bloomy & Chameleon made friends with the library slug and were teaching him how to read with this cool book!

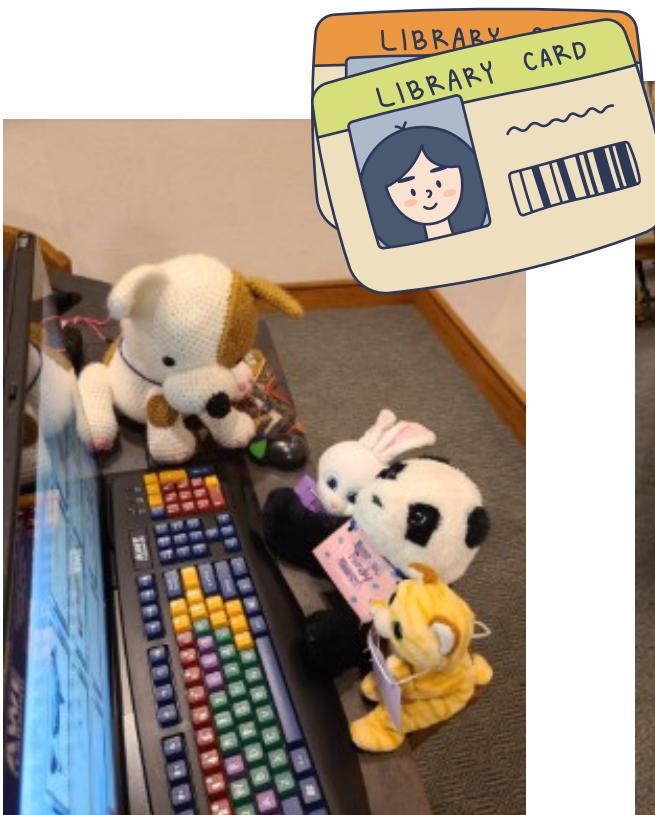

Reggie, Sweetness Kitty and friend Bobo are getting ready to roast marshmallows together!

Hedwig is trying to convince all of his bird friends that they may want to try out an owly life by reading them  
"So You Want to Be an Owl."  
Do you think it will work?

THE LIBRARY IS SO MUCH  
FUN WITH FRIENDS!

WEEEEEE! PINKY BRAVES THE  
BALANCE BEAM!

BE CAREFUL, CREEP MONKEY!

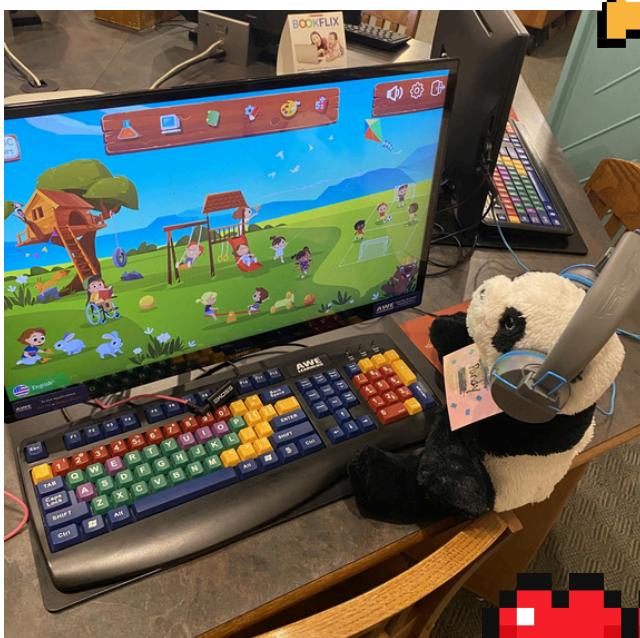

HOW LOW CAN YOU GO? PETE THE  
KITTY WAS AN EXPERT AT THE LIMBO!

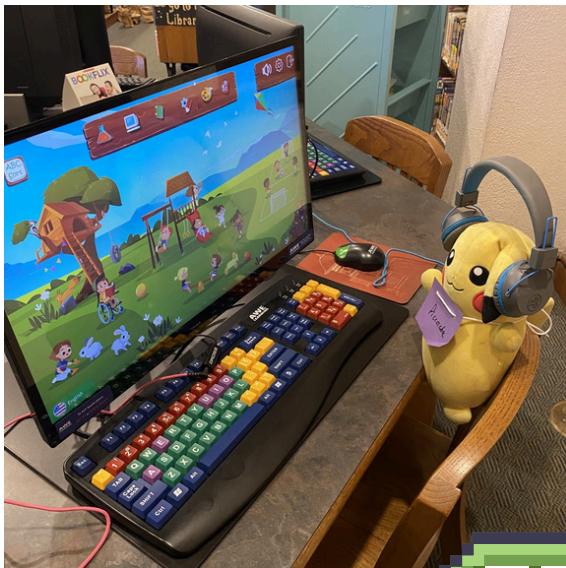

LET'S PLAY CARDS!

So many stuffies wanted a little screen time! Good thing the computer games in the Young Readers' Room are all learning games!

# GAMES!!!

START

Not so high, Snoopy!

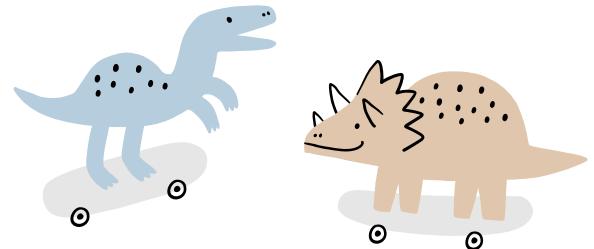

Woah...Snoopy,  
watch out!

Luckily all his stuffie friends cushioned his fall!  
Phew!

# We had a bunny car race and more games!

We got to ice skate and ride the skateboard too!

On your marks, get set, go! Can you guess who won the sack race?

I just love piggy back rides!

Have you tried this  
puzzle? Rainbow Silver  
did it all by himself!

Hanging out on the  
shelves!

Look out, everybody! Charizard sneezed fire!!

A stuffie's work is never done! Detroit the Lion takes care of business in the Library Director's office!

Some friends got silly with the copy machine!
