

A.K. Smiley Public Library

GUIDELINES FOR TAKING INTERIOR & EXTERIOR PHOTOGRAPHS / VIDEOS IN SMILEY LIBRARY

- Because photography, videotaping or livestreaming can be disruptive to the mission of the Smiley Library, any photography, videotaping or livestreaming, whether professional or amateur, inside Smiley Library, including both the Children's and Red Fed Garden, is prohibited unless approved in advance by Library Director's office

- If approved as indicated above by the Library Director's office:

    - Entrances / exits cannot be blocked
    - Patrons may not be photographed for commercial use without their permission
    - Credit line for commercial use should refer to A.K. Smiley Public Library, Redlands, California

- Patrons are welcome to take photographs, videos or livestream around the exterior of the building as long as entrances / exits are not blocked.
